

# DCN-FHH Hand-held microphone

- ▶ Light, portable microphone
- ▶ Built-in plop and windshield
- ▶ On/off switch and LED status indicators

The DCN-FHH is a uni-directional, condenser microphone with built-in plop and windshield. It fits comfortably into the hand and is ideal for applications where the speaker is not stationary. A microphone on/off button and LED indicator lamps are built into the microphone housing. Two of these microphones can be connected to the Dual Delegate Interface DCN-DDI.
